

## ***HORSE DRAWN SLEIGH RIDES***

***Smokeshire Hilltop Farms gives a sleigh ride like no other in the area! Come and meet Sarah, Betsy and Peter. They're giving sleigh rides through the forests and pastures on their own farm in the Smokeshire valley (between Chester and Ludlow)***

***An easy relaxed ride, or a little adventurous, just let Peter know (he's the one driving).***

***Sarah and Betsy are Suffolk Punch Draft Horses (a heritage breed), they love what they do! Peter has been working around horses most of his life. He and the horses do farming and logging when they aren't sleighing (hay rides in a wagon when there isn't snow).***

Rides are dependent on weather and snow conditions!
